

The *San Francisco*

- ▶ Before making your way into the heart of the San Francisco, drop your distractions and worries at the dedicated drop zone. A soaring space will welcome you into an amazing hub for eating, entertaining and chilling which continues outside onto a sun soaked alfresco.
- ▶ The generously sized main bedroom, featuring a walk-in robe and well sized ensuite, is situated at the back of the house for a little extra peace to unwind after a big day. And it's just a door away from the private theatre so you can binge watch Netflix all night long.
- ▶ You can't really call the minor bedrooms 'minor', with two of them featuring walk-in robes – Luxe! This 3 bedroom zone surrounds a bathroom with in-built bath and separate WC.
